Rescue the Animals, SPCA

Hi {FIRST_NAME|Friend},

An anonymous donor has pledged to match every dollar given to Rescue the Animals, SPCA up to \$20,000. This offer ends May 31, 2016. Every dollar you give will be doubled.

Time is short. We must have your help today to meet this challenge grant and make 2016 another record setting year. Because of our All-Volunteer team we have no salaries to pay. Your donation will go farther than ever and help more animals than ever before.

Don't be Misled!

National humane groups (ASPCA and the Humane Society of U.S.) do not send money to help animals in West Texas. All SPCA organizations are independent groups and do not receive any funds from ASPCA! Your donation to a national group supports a huge overhead and pays for national TV commercials to raise money. *Our animals live only through private donations.*

The only thing worse than an animal dying in a pound, is an animal dying after someone in another state has already promised that pet a home but can't pick it up in time.

- Our Transportation, Rehab, and Adoption Center is still the only one of our kind.
- Animals come to our adoption center from all over the Southwest before moving on to rescues all over the nation.
- We do medical work and most transport is free, so other rescues are getting dogs from us MUCH cheaper than other places.

We are adding new rescue partners every month. Saving more lives than ever.

Of course, saving more animals means higher Medical Bills. We are expanding our market AND our costs. This is where your donation will really help out.

Puppies Galore!

Abigail our first Tree Walker Hound ran out of time at the Abilene Animal Shelter. We grabbed her on a Monday morning at 9 a.m. By 2 p.m. that afternoon she was on her way to a foster home and had 13 puppies the next Monday!
