## Fall for Pets. Our Campaign for Better Lives for All Pets...

This fall we are launching a massive effort to vaccinate and fix every possible pet in the Big Country at prices everyone can afford. Only about 20% of animals in Abilene are vaccinated for rabies, and way too many are not fixed. Cost is a major factor in both problems with yearly vaccination visits to local vets running from \$75 to well over \$100.

We are doing [low-cost vaccinations](#) every Wednesday from 1pm to 3pm for just \$24.99. We are cutting [spay/neuter prices](#) this fall with cats starting at \$30 and dogs starting at \$40.

## Kennel Campaign Nears Goal... \$11,214.00 Needed....

Our campaign to build more indoor/outdoor kennels at the Abilene Animal Shelter (pound) is about two-thirds of the way to our \$33,300 goal thanks to our Dachshund Race sponsors and other donors. This project will double the number of outdoor runs at the pound from 28 to 56!

Without our support, half the kennels in the wing would have been built as 3'x3' indoor kennels. The many large dogs going to the pound need more space than this. Adoptions at the Abilene Animal Shelter continue to increase and many of the animals are being held for two weeks or longer.

We still need your help to complete this vital project! You can donate [online](#) or you can mail it to:
