### **The Rescue the Animals, SPCA**

**Adoption, Rehab, and Transportation Center on South First is a totally new concept in saving homeless animals.**

With animals going to Florida, Colorado, Michigan, Minnesota, Illinois, Pennsylvania, Wisconsin, and Iowa just this summer, we are the first facility in Texas to focus on being a transportation and medical center for animals that are being moved to new homes through facebook and the internet.

Our All-Volunteer Team takes animals from city shelters all over Texas and holds them until rides can be arranged to cities all over the U.S.

Our advertising and rebate programs are helping the City of Abilene Animal Shelter set new adoption records every month. In fact, the Abilene Animal Shelter adopted more animals in April, May, June, July, and August than were adopted at both Rescue the Animals, SPCA and the City of Abilene Animal Shelter COMBINED in 2014!

Plus, over 100 additional animals in the last 90 days went to new homes through the Rescue the Animals, SPCA Adoption, Rehab, and Transportation Center on South First.
