## Emergency Medical Care Needed! 218 Animals Seized

Rescue the Animals, SPCA has pledged \$10,000 toward the medical care for animals seized from the AM Farmer's Sanctuary. This is only part of the money needed!

162 Dogs, 25 Cats, 7 Donkeys, 7 Pot-Bellied Pigs, 6 Goats, 1 Rooster, 3 Rabbits, 1 Rat, 3 Reptiles, and 3 Ducks seized at the AM Farmer's Sanctuary in Eula on October 13, 2016. Rescue the Animals, SPCA, Humane Society of North Texas, the City of Abilene Animal Services, and the Callahan County Sheriff were all on location on the day of seizure. Because of the huge number of animals, all were taken by HSNT to its facilities in the Metroplex.

## Court Orders Sanctuary Closed!

Picture a large metal barn after a tornado: an old, small two-bedroom mobile home; and two shipping containers in the midst of trash, a junk car, and a river of raw sewage and you are looking at the AM Farmer's Sanctuary, represented as a non-profit animal rescue.

Rescue the Animals, SPCA spent over 18 months compiling the evidence needed to close what was a very popular local "sanctuary" that virtually none of its supporters had ever visited. The small mobile home, living quarters for the humans, also contained over 50 animals.

## No Food, No Water, No Medical Care!

Every dog had hook worms, round worms, and tape worms. At least 15 dogs have tested positive for Heartworms! All the outside dogs were without food, only a few had water. They all lived on bare dirt. Virtually all

of the outside dogs had contagious mange acquired *after* reaching the "sanctuary".

No food was found for any of the livestock, and all the smaller animals were thin. A donkey had to be euthanized during the seizure. It was down and dying of tetanus (confirmed by 2 vets) because it had not been vaccinated!
