## Service Dogs for Veterans

Red Arlo's Story

Rescue the Animals has enough heartwarming stories from the last 19 years, we could fill a book or two! Here is Red Arlo's Rescue Timeline:

- In City of Abilene Animal Shelter, running out of time to get adopted.
- Pulled from Shelter and brought to Rescue the Animals Rescue, Rehab, and Transport Center.
- All Volunteers fall in love with him.....
- Video of Volunteer's daughter with Arlo sent to a POGO partner who passes it on to a trainer.
- Arlo is transported to Indiana, where he meets Trainer.
- Arlo is paired with a Veteran named Dean, and they begin a long training together.
- More than halfway thru training now.....and we want you to see this great story!

You can view more details at our [website](#). And you can see the recent video the training center posted [HERE](#).
