Tay Is Fighting For a Chance!

Tied on a short leash with no food or water, Tay was abandoned. We got Tay from Odessa mid September. Barely able to stand up when he came to us, he was as close to starved to death as any dog we have ever seen. We believe he is a Rhodesian Ridgeback, he is super sweet and fighting for a chance to stay alive and go to a new home.

After a visit to the vet, Tay was put on strict food and water intake limits every 4 hours to prevent vomiting. At his recent check up, though still wobbly, he had gained 8 pounds and is also learning how to play in his foster home.

Thanks to our generous Rescue The Animals contributors, Tay will have all the medical care necessary on his long road to recovery.

Please consider helping Tay and the other animals we are providing medical care by donating.
