Saved by Fur Ball Last Year! Who Will Your Donation Save in 2025?

Senior Dogs Need Love too!

A Metroplex shelter called for help when an owner was forced to surrender several senior dogs. **Floppy Nose** at 16 years-old had a deteriorated jaw, previously broken tail, and multiple infections. **Doozy** at 10 years had multiple infections also. **Farris** and **Waffle** are 13 and have terrible skin infections, bad teeth and tumors. **Sue** is the same age with major dental problems. We were the only group that would respond.

Vegan Dog Grows Cauliflower?

Dumped in the backyard in all kinds of weather for 6 years without ever being touched or coming in the house, Charlie had a horrible cauliflower shaped tumor in his ear that was untreated. He and Hey Dude were finally seized in a neglect case and now have new homes.

As we fight animal cruelty and abuse, it is often just like being in a Halloween movie. We save the walking ghosts, the gravely injured, and the totally terrified! Except instead of actors in makeup, we are saving sweet innocent animals that have been starved and abused.

Our Fur Ball February 15, 2025 theme is Halloween in February....Howling for Homeless Animals!

Your Fur Ball sponsorship lays the foundation for everything we do all year long. As a Howling for Homeless Animals Fur Ball sponsor, you will help us save nearly 2,000 animals in 2025.

Besides, your dog never gets to go Trick or Treating! Now's his chance at the greatest doggie night out in West Texas! Hundreds of people and their dogs will dine and dance the night away in support of Rescue the Animals, SPCA at our most important fundraiser of the year.

As we start our 27th year in 2025, we hope you will be one of our Fur Ball Sponsors!
Sponsorship information is enclosed.

Get your friends together, be a sponsor, and arrange for reserved seating, or even your own table! Help us stir up the spirit and magic of Halloween to save even more lives in 2025.

People food by Perini Ranch and a special Doggie Buffet from Pam's Pets.

If you love dogs, this will be the most fantastic family evening of the year. Halloween in February will save lives all year long in 2025.

We'll have **games for kids**, **costume contests** for the entire family, **a dance contest just for kids**, and more dance contests for everyone.

Most days we have 125 to 150 animals in our kennels.

Our entire Transportation and Rehabilitation Center is dedicated to saving these animals that HAVE a home waiting. Over 95% of animals arriving at our location have homes waiting.

We do not receive any funding from national humane groups. Every SPCA must raise its own money. We do not receive any funds from the City of Abilene. Your Help is ALL we have!
